American Valor Foundation

(AVF) is a Kyle Family foundation created to support our Nation's heroes, Veterans and First Responders and their families. Those heroes put their lives on the line each and every day to ensure our freedom and security. We owe them a debt of gratitude. AVF provides financial assistance through the payment of bills (medical, mortgage, utilities, autos), financial support to other organizations, taking heroes on outings (hunting, fishing, recreation, relaxation), support programs.
